MULTIPLE CHOICE

In the **Multiple Choice** question type, you are given a question and a set of answer options. Your task is to choose the most suitable answer based on the recording.

There are **two common formats**:

- Type 1: One correct answer

You choose **only one answer** from three options (A, B, or C).

- Type 2: More than one correct answer

You must select **two or three correct answers** as required.

Note: If you choose even one wrong answer, you **won't get any point** for that question.

Multiple choice questions are used to test a range of listening skills. You may be asked to **understand specific details** or get **a general understanding** of the **main ideas** in the recording.

➢ **IELTS LISTENING: Answer Guideline**

STEP 1: Before Listening

1. Read the instructions carefully
   → Check if you must choose ONE / TWO / THREE answers.
2. Underline keywords in the question and options.
3. Notice the differences between options (e.g. *price*, *location*, *reason*…).
4. Predict the content
   → What topic or type of information do you expect (opinion, fact, reason, etc.)?

STEP 2: While Listening

1. Listen for paraphrases – the recording rarely repeats the same words.
2. Follow the order – answers usually appear in sequence.
3. Eliminate wrong options – some are mentioned but clearly rejected or corrected.
4. Choose the most accurate answer, based on meaning, not just word matching.

STEP 3: After Listening

1. Check logic – does your answer make sense in the context?
2. Compare similar options – look at details like time, degree, or intention.
3. Ensure the correct number of answers as instructed.

SENTENCE COMPLETION

1. Before Listening

1. Read the instructions carefully

   → Check how many words/numbers you can write (e.g. *NO MORE THAN TWO WORDS AND/OR A NUMBER*).
2. Quickly read all the sentences

   → Understand the context and what each blank refers to (a person, place, reason, time, etc.).
3. Underline keywords around each gap

   → Focus on nouns, verbs, adjectives, and numbers that help you locate information.
4. Predict possible answers

   → Think about what kind of word is missing — *noun, verb, adjective,* or *number*.

2. While Listening

1. Listen for paraphrases and synonyms

   → The exact words in the question may not appear in the recording.
2. Pay attention to grammar and meaning

   → Make sure your answer fits grammatically and logically in the sentence.
3. Write as you listen

   → Don't wait; fill in the answer immediately when you hear it.
4. Be alert for distractors

   → The speaker might correct themselves or give extra details to confuse you.

3. After Listening

1. Check spelling and word limits

   → Wrong spelling or exceeding the word limit = no mark.
2. Ensure your answers fit grammatically

   → Read each completed sentence to see if it sounds natural.
3. Review for logic and accuracy

AUDIOSCRIPT (Section 2)

(1) …….. LP Clubs, I'd like to welcome you all here today. My name's Sandy Fisher and I'm one of the fitness managers here. Before we start our tour of the club I'll just run through some basic information about the (2) …….. we have here, including recent improvements, and explain the types of membership available.

Our greatest (3) ……. is probably our swimming pool which at 25 metres isn't Olympic-sized, but now we've expanded it to (4) ……., it's much wider. This means there are rarely more than a couple of people at a time in each lane. Unfortunately, there isn't space for an outdoor pool here but the glass roof on the swimming pool is partly (5) ……., which means you can enjoy something of the open-air experience on warmer days.

Our recently (6) ……. fitness suite has all the latest exercise equipment including ten new running machines, and (7) ……. weight-training machines. Each member is given full training in how to operate the equipment and there is always a trainer on duty to offer help and advice. Although we do have adult-only times after 6 and at certain times at weekends, children are well catered for. Older children continue to (8) …… from a wide range of tuition; anything from trampolining to yoga.

_____

One thing all our members appreciate about us is that we take very good care of them. This starts on day one with your personal assessment. You are asked to fill in a questionnaire giving details of any (9) …….. One of our personal trainers will then go through this with you.

The trainer will then take you through the (10) ……. for using the equipment in the fitness suite. During your next exercise session, a personal trainer will work with you to make sure you understand these. It's very important to do this because we really do want to avoid having any sports (11) …….. There's a lot more to looking after yourself than simply lifting weights!

At the end of the personal assessment, the trainer will draw up a (12) ……., outlining what you should try to achieve within a six-week (13) ……. . This will then be reviewed at the end of the six weeks.

Now, I'll just quickly run through the types of membership we have available. All members must pay a (14) ……. of £90 in addition to the rates for the monthly membership

fees. Gold membership entitles you to (15) ……. at all LP Clubs. There are now LP clubs in all major cities and towns so if you travel a lot will be a great advantage.
Individual gold membership costs £50 a month and joint membership for you and your partner will cost £75.
Premier membership is for professional people whose work commitments make it difficult for them to use the club during the day and so LP gives booking preferences to Premier members at (16) …….. This means you will find it easier to book the sessions at times that suit you. Reciprocal arrangements with other LP Clubs are available to Premier members. Premier membership is for individuals only, but you will be sent passes for (17) ……. every month. The monthly fee is £65.
You don't have to have any special clothes or equipment when you visit the club. We provide robes and hairdryers in the changing rooms, but it's very important to remember your (18) ……. because you won't be able to get in without it.
For people who aren't working during the day then …
